Niche & Brand Resonance

This document structures a high-conversion alignment model between the Instagram content ecosystem of **Tech Unboxed** and the promotional goals of **boAt**.

Strategic Alignment: boAt & The Tech & Gadgets Audience

Tech Unboxed's Instagram content consistently covers "unboxing the new ultra phone", attracting an audience that actively seeks out Audio Electronics recommendations. This audience demographic in Tier 3 directly overlaps with boAt's target customer profile, making them receptive to authentic product demonstrations. A Reels & Stories integration featuring a hands-on Audio Electronics review through Tech Unboxed's signature content style would drive measurable purchase consideration.

Critical Campaign Synergies

- **Audience Geo Reach:** Primarily targeting users in **India**, capturing highly responsive local cohorts with **18-24** as the primary demographic.
- **Content Pillars:** Creator focuses on "**smartphone reviews**", "**tech setups**", "**ai productivity hacks**" — directly relevant to boAt's product positioning.
- **Reels Performance:** Averaging **45,000** plays per Reel with a **52.9%** Reach-to-Follower Ratio, demonstrating strong algorithmic distribution.
- **Audience Quality:** Authenticity Score of **97/100** (Excellent) — indicating a genuine, organically-grown follower base.

Creator Negotiation Playbook

Use this playbook to protect your margins and negotiate effectively with **boAt**. Having pre-calculated floors and up-sell multipliers ensures you never underprice your worth.

YOUR ABSOLUTE FLOOR PRICE (WALK-AWAY RATE)

₹27,500 INR

This is 70% of your recommended valuation. Do not accept anything below this for the standard deliverables unless the brand reduces usage rights, number of Reels/Stories, or exclusivity duration.

Script: "We would love to collaborate with boAt, but to maintain our production quality and audience alignment, we cannot go below ₹27,500 for this specific integration format."

RECOMMENDED OPENING OFFER

₹39,500 INR

Start discussions at your full calibrated value. This anchors the conversation at a premium, data-justified point, leaving room to compromise down to your target.

UP-SELL & LICENSING ADD-ONS

Never give away extras for free. If the sponsor requests exclusivity or usage licensing, charge these standard industry multipliers:

- **Product Exclusivity (30 Days):** Add **₹49,500 INR** (+125% of base rate) to block competitors.
- **Paid Usage Rights (30 Days):** Add **₹8,000 INR** (+20% of base rate) for running your content as ads.
- **Link in Bio Extension:** Charge a flat weekly renewal fee to keep their tracking link active.
- **Monthly Retainer (4 posts/month):** Pitch ongoing collaboration at **₹3,95,000 INR/month** for predictable income.

NEGOTIATION RED FLAGS & WARNINGS

- **Affiliate-Only Models:** Reject "pure affiliate" offers unless there is a guaranteed base fee covering production time.
- **Uncapped Usage Rights:** Never sign over perpetual/unlimited advertising rights without recurring licensing payments.
- **Vague Deliverables:** Ensure exact number of Reels, Stories, posting dates, script approvals, and payment timelines are written into the contract.
- **"Exposure" Offers:** If a brand offers only "exposure" or free product with no monetary compensation, politely decline — your content has measurable market value.

Collaboration: Tech Unboxed x boAt (85,000 followers / 45,000 Reel plays)

Hi Team,

I've been following **boAt** and love the work you are doing in the space. I'm **Tech Unboxed**, and I create high-engagement Instagram content focused on **Tech & Gadgets**.

Tech Unboxed's Instagram content consistently covers "unboxing the new ultra phone", attracting an audience that actively seeks out Audio Electronics recommendations. This audience demographic in Tier 3 directly overlaps with boAt's target customer profile, making them receptive to authentic product demonstrations. A Reels & Stories integration featuring a hands-on Audio Electronics review through Tech Unboxed's signature content style would drive measurable purchase consideration.

Based on my audience's interest in content like my recent Reel **"unboxing the new ultra phone"**, I believe a partnership would drive significant resonance.

Here's what I propose for a potential initial collaboration format:

- **Deliverable:** 1x Reel + 3x Stories
- **Audience Geo Focus:** India
- **Avg. Reels Plays:** 45,000 plays (52.9% Reach-to-Follower Ratio)
- **Audience Authenticity:** 97/100 (Excellent)

I have attached my full verified SponsorScout Media Kit for your reference. Let me know if you would be open to a quick chat next week to discuss dates and details.

Best regards,
Tech
