Niche & Brand Resonance

This document structures a high-conversion alignment model between the content ecosystem of **Dummy_id2** and the promotional goals of **Raid Shadow Legends**. By blending organic contextual integration with targeted consumer focus, we ensure campaign success.

Strategic Alignment: Raid Shadow Legends & The Lifestyle & Vlog Audience

Dummy_id2's highly visually engaged audience of followers is perfectly primed for Raid Shadow Legends through dynamic Instagram content. By aligning strategic product integrations across highly-retained Reels covering "High protein meal prep, glute workouts, marathon training vlogs." and interactive Stories, we capture maximum attention. This targeted focus delivers an exceptionally pre-qualified cohort primed for immediate action and high-converting B2B brand affinity.

Critical Campaign Synergies

- **Audience Geo Reach:** Primarily targeting users in **Tier 1**, capturing highly responsive local cohorts.
- **Native Delivery Focus:** Utilizing a tailored **60-sec shoutout** placement format to maximize viewer retention without breaking editorial flow.
- **High-Trust Recommendation:** Leverage creator trust to present product advantages seamlessly, turning passive viewers into brand advocates.

Campaign ROI Projections

The pricing model for this sponsorship placement is built directly upon empirical performance metrics. Below is the transparent breakdown of expected reach and value delivery.

PLACEMENT FORMAT	REACH / BASE CPM	MULTIPLIERS APPLIED	ESTIMATED VALUE
Instagram Reel	50,000 avg. plays / ₹100 CPM	Geo: 3x Resonance: 0.7x	₹10,500 INR
Instagram Story	5,000 avg. views / ₹200 CPM	Geo: 3x Resonance: 0.7x	₹2,100 INR
Combined Campaign Total	Reels & Stories Integrated Synergy		₹12,600 INR

Instagram Valuation Formula:
Reel = (Plays * 100 * Geo * Resonance) / 1000 | Story = (Views * 200 * Geo * Resonance) / 1000
